

MADMEN SPEAK OF TORTURE MADMEN SPEAK OF TORTURE MADMEN

tyranny's end an untamed fire within us. acts may be cruel, inhuman or degrading. liberty will come to those who love it. mental pain must last for months or even years. the concentrated work of generations. a statute that does not define *severe*. hope kindles hope, millions more will find it. death, organ failure, serious impairment. neighbor and surround the lost with our love. iron barks, truncheons, clubs, loss of body function. the eventual triumph of freedom. threat of death alone is insufficient. proclaim liberty through the world. the President enjoys complete discretion.
